December 15, 2008

East Bay Township  
Attn: Glen Lile  
1965 Three Mile Road  
Traverse City, MI 49686

Dear Glen:

Attached is a copy of the proposed designated curbside district recycling map for East Bay Township. You are encouraged to add this item to your next agenda for review of your existing curbside district and to verify that the proposed designated area is accurate.

Per Section 4.2 Second Amendment to Ordinance No. 17 the following curbside recycling service specifications apply:

- a). *Curbside recycling and yard waste collection must be provided for the materials identified and described in the targeted materials list by any licensed hauler who provides refuse collection services in the curbside recycling districts.*
- b). *Designated curbside recycling districts include but are not limited to all single-family residential structures and multi-family residential structures with less than four (4) units per building located in residential areas within boundaries determined by the Resource Recovery Council as generally having either sewer service or underground natural gas service and that are within the jurisdiction of participating Member Units.*
- c). *A Member Unit at its own discretion can list other areas under its jurisdiction as being part of the designated curbside recycling district. Notice of this action must be provided to the Board of Public Works in a timely manner. The notice shall include a description of the designated area, and an effective date.*

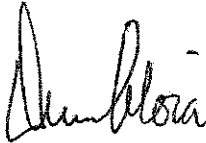

Haulers may offer additional curbside services not currently shown on your proposed district map. We suggest that your municipality work with the haulers during the review process. You will have until Tuesday, March 31<sup>st</sup>, 2009, to verify that the proposed designated areas are correct, or to make any changes you desire. Please draw any proposed changes on the enclosed map and submit with a written description to:

County Administration  
Attn: Katie Lowran  
400 Boardman Avenue  
Traverse City, MI 49684

Upon receipt, by the Resource Recovery Council, proposed changes will be considered and recommendations will be forwarded to the Board of Public Works for approval.

Sincerely,

Dennis Aloia

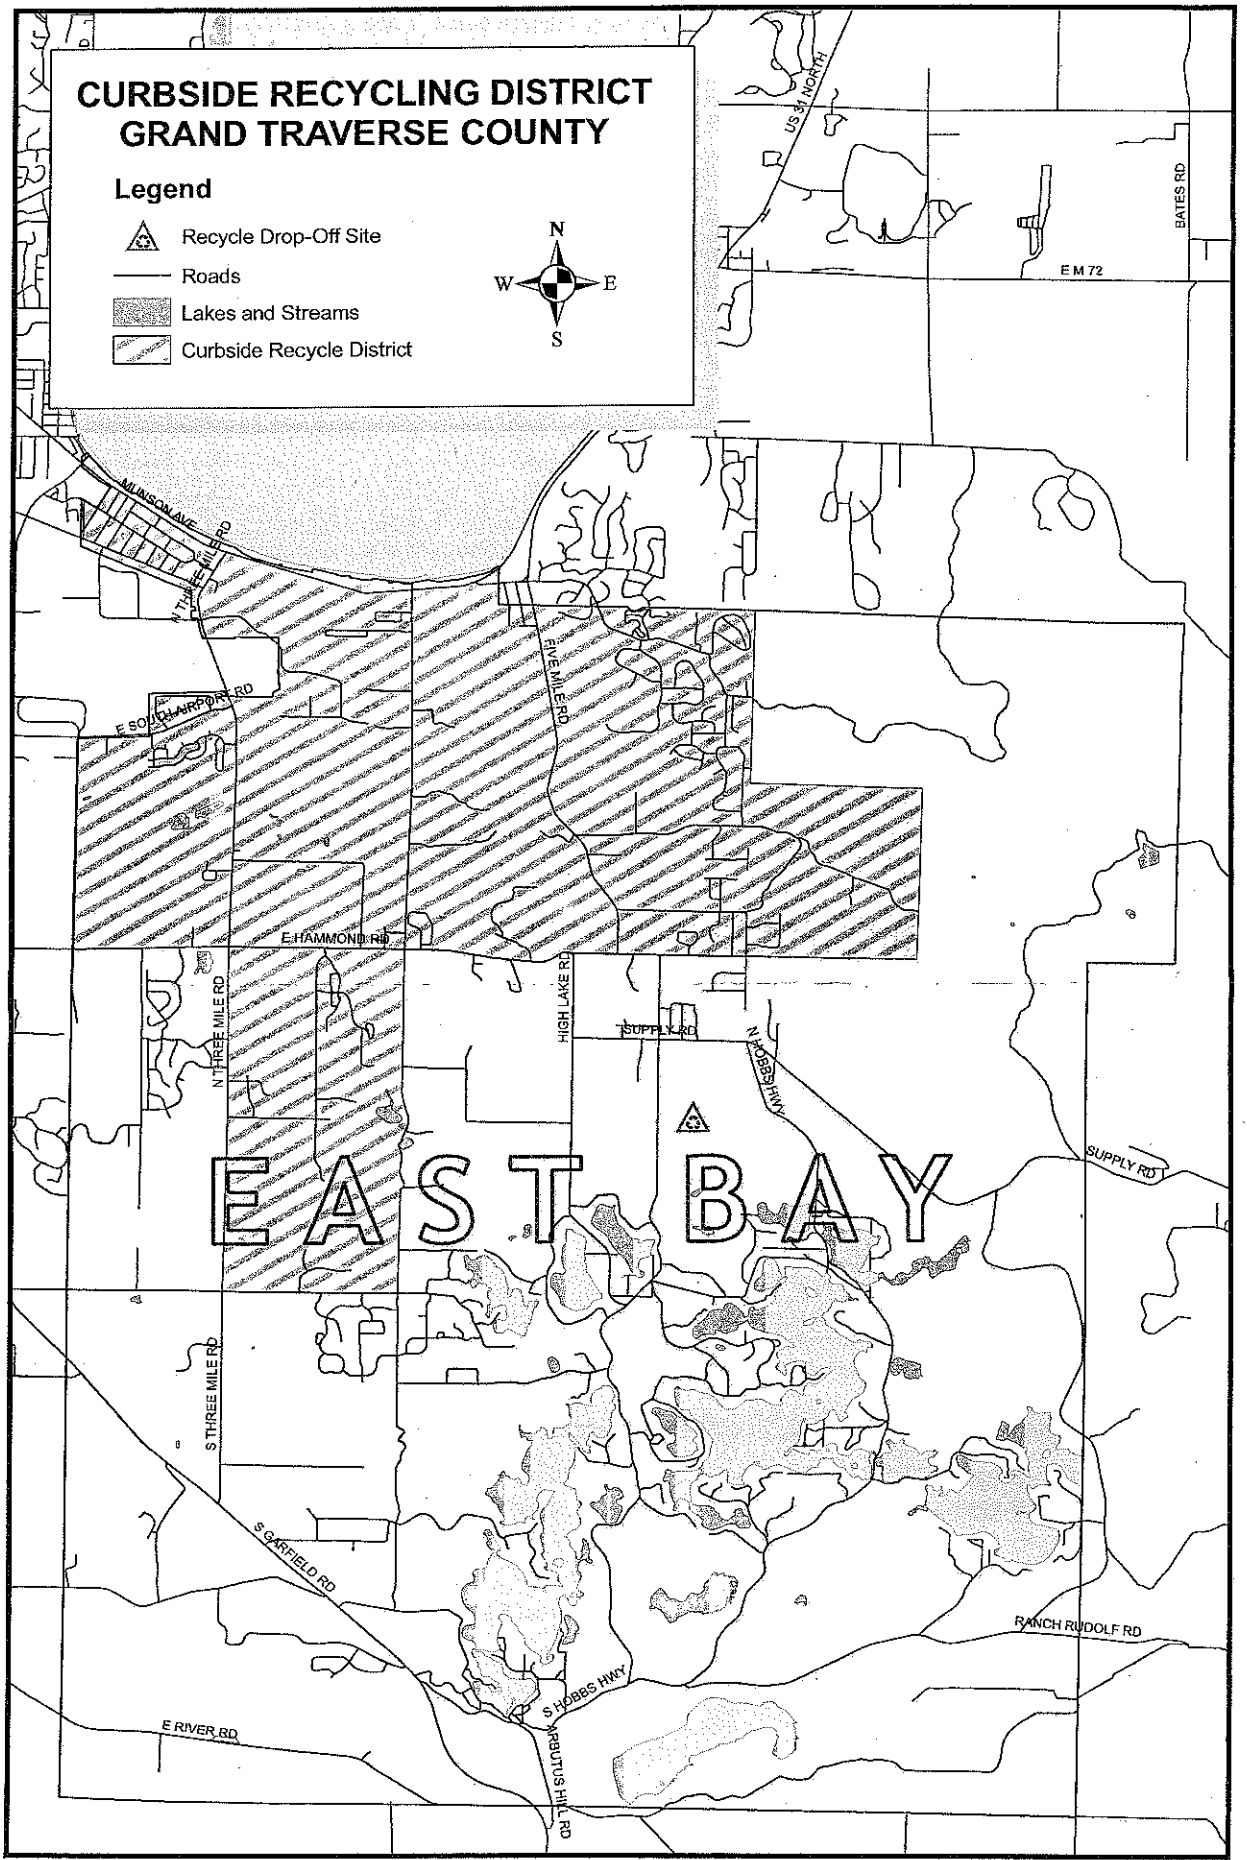

Enclosed

**\*Save the Date: Joint Local Municipality/County Board of Commissioners Meeting Thursday, January 15<sup>th</sup>, 2009. Civic Center Meeting Room 9:00am-12:00pm.**
