

East Bay Charter Township

# 6

To East Bay Charter Township Board

#### Water Ordinance Amendments

The purpose of this amendment is to coincide with the 2009 proposed water budget.

The current ordinance has the following rate structure:

January 1, 2007 \$12.50 1<sup>st</sup> 600 cu.ft. and \$1.95 per 100 cu. ft. over  
January 1, 2008 \$13.00 1<sup>st</sup> 600 cu.ft. and \$2.05 per 100 cu. ft. over  
January 1, 2009 \$13.50 1<sup>st</sup> 600 cu.ft. and \$2.15 per 100 cu. ft. over  
January 1, 2010 \$14.00 1<sup>st</sup> 600 cu.ft. and \$2.25 per 100 cu. ft. over  
January 1, 2011 \$14.50 1<sup>st</sup> 600 cu.ft. and \$2.35 per 100 cu. ft. over

The proposed amendment accomplishes two things it approves the immediate increase to \$17.00 per month for the first 600 cubic feet and the commodity rate for over 100 cu. ft. as well as facilitating an annual percentage increase. This takes care of having to keep track of when the table runs out and needs to be extended. The monitoring will come with the quarterly/annual analysis of the Sewer budget.

Charter Township of East Bay  
Ordinance No. 85-1-WR and Ordinance No. 85-100-2

Amendment No. 3

That Ordinance 85-1-WR an ordinance to provide for the operation and maintenance of the East Bay Charter Township Water system and Ordinance #81-100-W an ordinance to provide for the operation and maintenance of the East Bay Charter Township Water system and to regulate the use of the township water system and to establish remedies and fix penalties for violations.

Section 5B Rates to be charged for service furnished by the Well System shall be as follows:

Effective February 1, 2009 water use charges to each benefit served by the Well System shall be \$17.00 for the first 600 cubic feet or less per month and a rate of \$2.15 per 100 cubic feet for usage above the initial 600 cubic feet per month with an annual January 1<sup>st</sup> increase of 3.5% thereafter.
