

Possible items to be added to the agenda Monday night 7-14-08

10.) Tamarak Development seasonal dock. R.C. Herman had been leaving voice mails back and forth with the clerk regarding this request. The information arrived too late to place on the initial agenda.

11.) Resolution 2008-09 Approving Process to Acquire New Sewage Treatment Capacity. This resolution request has been before the board and was tabled after discussion. Michael Houlihan's office has stated that this resolution is ready to be presented to the board for a vote. The communication arrived too late to place on the initial agenda.

I will be asking the Supervisor to accept these items to the agenda Monday night.
