Subject: 03136 A-O Data Recovery Center proposal
Attachments: A-100.pdf

Ms. Couturier and Mr. Kilpatrick:

Attached, as requested, is the Floor Plan for the proposed Traverse City Data Recovery Center, or TC DRC as we call it. It shows that the Emergency Generators are housed inside the masonry block and concrete building, and not in the semi-open Mechanical Yard. The Mechanical Yard is at bottom right on the plan. Generator Rooms are immediately left of the Yard.
