Memo from the Benefits Committee

I have been selected by the board to head up the benefit Committee with Butch Strait as the alternate. We have had only one response from the public to assist with the Benefits Committee to date. The Committee is required to be made up with a minimum total of three people, at this point there is only two.

I would like to request to the Board that this third person be an existing employee of East Bay Township. I believe that by adding an employee to this Committee it will bring ownership from them to help with any benefit recommendations.

Best Regards
