Re: Clarification of Zoning Ordinance Options

Attached you will find several options for possible Zoning Ordinance amendments to regulate extensions of Site Plan Reviews, Special Land Uses, and PUD's. You have been provided two possible options for changes in each of Sections 637.12, 601.6, and 820.10 with different time periods. Other than the differences in timing, the two options are identical. Section 830 covers performance guarantees and would remain the same for all of the other options.
